MEMORANDUM

TO: Finance and Administrative Officers, and Chief Accountants
All State Agencies

FROM: Ruth Mealy, Director
Financial Operations Division
Office of Financial Management

SUBJECT: MAIN FACS 1099 Processing for 2003

Overview

The 1099 forms for calendar year 2003 will be mailed to vendors/payees the week of January 19. We will be using the 2003 1099-MISC and 1099-INT forms as presented on the IRS Website (<http://www.irs.gov>). Sample 1099-MISC and 1099-INT forms for 2003 are attached.

Why 1099 Forms Are Issued

1099-MISC - To comply with Internal Revenue Service regulations, the State must issue a 1099-MISC form to a vendor/payee whenever at least one of the following occurs:

- Vendor/payee is not a corporation, government, or 501(c)(3) and receives any of the following:
 - Combined payments for rent, non-employee compensation, services (including parts and materials), medical and health care, gross proceeds paid to an attorney, and other income (e.g., prizes, awards, and payments to beneficiaries of deceased employees) totaling \$600 or more during the calendar year.
 - Payments for royalties totaling \$10 or more during the calendar year.

- Vendor/payee is a corporation and receives medical and health care payments totaling \$600 or more during the calendar year.
- Vendor/payee is an attorney and received gross proceeds from a lawsuit or court ordered settlement.
- Vendor/payee (whether or not a corporation) is subject to backup withholding on payments that are reportable on a 1099-MISC form.

1099-INT - The State must issue a 1099-INT form if the vendor/payee is not a corporation, government, or 501(c)(3) and receives interest payments totaling \$600 or more during the calendar year or is subject to backup withholding on payments that are reportable on a 1099-INT form.

1099 Reporting Process

The State of Michigan is required to report for certain types of entities, such as sole proprietors and partnerships, and for most types of reportable payments. The 1099 reporting process is controlled via use of control indicators in the R*STARS comptroller object profile and vendor file as follows:

- 1099 Indicator on ADPICS PCHL 5200 screen – The 1099 Indicator value of “Y” determines whether the vendor/payee should receive a 1099 form for reportable payments. Vendors/payees with a value of “N” in this field are excluded from reporting.

Although corporations have a value of “N” for the 1099 Indicator, the State of Michigan must report payments for attorney fees and medical and health care payments for all corporations.

- Each comptroller object has indicators that designate whether or not a payment is reportable. The indicator designates if payments will be reported on a 1099 and, if so, which 1099 form (1099-INT or 1099-MISC) the amounts will be included on.

At calendar year end, payments, deposits, and journal vouchers that include a valid vendor number and use objects that are 1099 reportable are summarized by vendor/payee. If the summarized transactions meet the criteria for 1099 reporting, the appropriate 1099 form is issued.

Important Reminders

Reportable Comptroller Objects: A chart summarizing 1099 reportable comptroller objects is attached. There are no changes in the 1099 reportable comptroller objects for calendar year 2004.

Handling Vendor/Payee Inquiries: Agency staff should respond to vendor/payee inquiries regarding reportable payments made by their agency. To research vendor/payee questions, agency staff can use RMDS to obtain detailed listings of the transactions comprising the amounts reported on the 2003 1099 forms. Transactions reported on 1099-MISC forms are found in the DAFR7940 (Agency 1099-MISC Vendor Worksheet). Transactions reported on 1099-INT forms are found in the DAFR7941 (Agency 1099-INT Vendor Worksheet). These reports provide payment detail (summarized and sorted by vendor number), 1099 form box number, and comptroller object.

An insert was provided for each 1099-MISC and 1099-INT form for 2003 providing supplemental payment and contact information for each agency that made vendor payments. This information is shown for each agency and each reporting box on the form.

Requesting 1099 Form Corrections: If agency staff determines an error occurred on a 1099 form, they must request that the Office of Financial Management issue a corrected 1099 form. Separate forms for requesting corrections to 1099-MISC and 1099-INT forms are attached. The attached forms should be copied for your use. Instructions for completing the forms are provided on the back of the form. The agency chief accountant or the agency 1099 reporting contact must sign correction request forms.

Backup Withholding: The State implemented backup withholding in March 1997. For affected vendors, amounts withheld will be reported in Box 4 on both 1099-MISC and 1099-INT forms. Amounts withheld cannot be refunded by the State. Any excess withholding can be recovered when the vendor/payee files their federal tax return.

If you have questions regarding this memo, please contact Ed Dettling, Manager, Vendor File/Security Section, Financial Operations Division, Office of Financial Management, at (517) 335-7269.

Instructions to Recipients

Amounts shown may be subject to self-employment (SE) tax.

If your net income from self-employment is \$400 or more, you must file a return and compute your SE tax on **Schedule SE (Form 1040)**. See **Pub. 533**, Self-Employment Tax, for more information. If no income or social security and Medicare taxes were withheld and you are still receiving these payments, see **Form 1040-ES**, Estimated Tax for Individuals.

Individuals must report as explained below. Corporations, fiduciaries, or partnerships report the amounts on the proper line of your tax return.

Boxes 1 and 2. Report rents from real estate on Schedule E (Form 1040). If you provided significant services to the tenant, sold real estate as a business, or rented personal property as a business, report on Schedule C or C-EZ (Form 1040). For royalties on timber, coal, and iron ore, see **Pub. 544**, Sales and Other Disposition of Assets.

Box 3. Generally, report this amount on line 21 of Form 1040 and identify the payment. The amount shown may be payments received as the beneficiary of a deceased employee, prizes, awards, taxable damages, Indian gaming profits, or other taxable income. If it is trade or business income, report this amount on Schedule C, C-EZ, or F (Form 1040).

Box 4. Shows backup withholding or withholding on Indian gaming profits. Generally, a payer must backup withhold at a 30% rate if you did not furnish your taxpayer identification number. See **Form W-9**, Request for Taxpayer Identification Number and Certification, for more information. **Report this amount on your income tax return as tax withheld.**

Box 5. An amount in this box means the fishing boat operator considers you self-employed. Report this amount on Schedule C or C-EZ (Form 1040). See **Pub. 595**, Tax Highlights for Commercial Fisherman.

Box 6. Report on Schedule C or C-EZ (Form 1040).

Box 7. Shows nonemployee compensation. If you are in the trade or business of catching fish, box 7 may show cash you received for the sale of fish. If payments in this box are SE income, report this amount on Schedule C, C-EZ, or F (Form 1040), and complete Schedule SE (Form 1040). You received this form instead of Form W-2 because the payer did not consider you an employee and did not withhold income tax or social security and Medicare taxes. Contact the payer if you believe this form is incorrect or has been issued in error. If you believe you are an employee, report this amount on line 7 of Form 1040 and call the IRS for information on how to report any social security and Medicare taxes.

Box 8. Shows substitute payments in lieu of dividends or tax-exempt interest received by your broker on your behalf after transfer of your securities for use in a short sale. Report on line 21 of Form 1040.

Box 9. If checked, \$5,000 or more of sales of consumer products was paid to you on a buy-sell, deposit-commission, or other basis. A dollar amount does not have to be shown. Generally, report any income from your sale of these products on Schedule C or C-EZ (Form 1040).

Box 10. Report this amount on line 8 of Schedule F (Form 1040)

Box 13. Shows your total compensation of excess golden parachute payments subject to a 20% excise tax. See the Form 1040 instructions for line 61.

Box 14. Shows gross proceeds paid to an attorney in connection with legal services. Report only the taxable part as income on your return.

Box 15. Other information may be provided to you in box 15.

Boxes 16-18. Shows state or local income tax withheld from the payments.
